APRIL 7, 2020

In an effort to cut down on the number of communications we are sending to you, as we know everyone is receiving an abundance of information, we have opted to send a number of pertinent pieces of information in one bundle. We will be doing this every afternoon as long as there is information that needs to be passed along.

Non-Customers Can Apply for the PPP Through US Bank

We have reached out to our business partners at US Bank and they have agreed to process SBA loan applications for non-customers based on our long standing relationship as long as the business qualifications are met as established by the SBA. If you have not been able to find a local bank to assist you please try the application process available with US Bank. [The process is all digital and should begin by submitting a request online by clicking here.](#) That will generate a subsequent email no later than the next day with additional steps. It is being centrally handled. [Additional details can be found by clicking here.](#)
