COVID-19 AFTERNOON UPDATE

MAY 11, 2020

In an effort to cut down on the number of communications we are sending to you, as we know everyone is receiving an abundance of information, we have opted to send a number of pertinent pieces of information in one bundle. We will be doing this every afternoon as long as there is information that needs to be passed along.

[NECA National Video Update May 11, 2020](#)

NECA National's Video Update this week includes how to make employees feel connected while working remotely, why you should implement more video calls, NECA members helping front line workers during COVID-19 and the eSafetyLine Safety Minute. [Click here to see the update and videos.](#)

[BIM Classes Available Online & NECA Endorses MCAA Change Order Publication](#)

Throughout the month of May, NECA will be offering online classes on the most popular BIM solutions, developed for our members at a substantial discount. Normally hundreds of dollars each, NECA's partner Sanveo, is offering these courses for just \$39.00 each! Also, NECA has given its full endorsement to the 2020 edition of the Mechanical Contractors Association of America's (MCAA) publication *Change Orders, Productivity, Overtime—A Primer for the Construction Industry*. [BDS Update for May 11, 2020](#)

What's new this week: Permit applications are now accepted for projects in all tiers 1-7. For projects being submitted electronically using ProjectDox software, BDS is accepting two projects per day. Permitting Services staff will work with applicants to determine suitability of their projects via this submittal method. All other projects can still be submitted using the [Single PDF \(Interim Review\) Process](#). [Click here to read the update from BDS.](#)
